

# Saturday June 26

**08.30 - 09.50**

Room 43

**EU Project:**

**DOMAINE: Donor Management in Europe**

## Part 1

**08.30 - 08.50**

What is DOMAINE?

- The donor management process
- Donor base  
W. de Kort, Sanquin Blood Bank, Nijmegen, Netherlands

**08.50 - 09.10**

The Donor Management Manual

- Donor recruitment  
I. Veldhuizen, Sanquin, Amsterdam, Netherlands

**09.10 - 09.30**

The Donor Management Manual

- Donor retention  
G. Folléa, Etablissement Français du Sang -Pays de Loire, Nantes, France

**09.30 - 09.50**

The Donor Management Manual

- Collection
- Donor safety issues

**09.50 - 10.00**

**Coffee break**

**10.00 - 10.30**

Hall 7

**EU Projects: Joint Meeting of the  
EUBIS, DOMAINE and EUOBU**

**10.00 - 10.10**

Introduction - E. Seifried, ISBT President, Germany

**10.10 - 10.30**

Role of the EBA - J. de Wit, Sanquin, Netherlands

**10.30 - 12.00**

Room 43

**DOMAINE: Donor Management in Europe**

## Part 2

**10.30 - 11.00**

The Donor Management Manual

- Multiple-transfused patients
- Special situations  
W. de Kort, Sanquin Blood Bank, Nijmegen, Netherlands

**11.00 - 11.40**

Summary and discussion

P. Bowler, Irish Blood Transfusion Service, Dublin, Ireland

**11.40 - 12.00**

DOMAINE Training Programme

G. Folléa, Etablissement Français du Sang -Pays de Loire, Nantes, France

## Saturday June 26

**09.00 - 10.00**

Hall 7

### **EU Project: EU Optimal Blood Use Symposium**

**09.00 - 10.00**

Registration

**10.00 - 10.30**

Hall 7

### **EU Projects: Joint Meeting of the EUBIS, DOMAINE and EUOBU**

**10.00 - 10.10**

Introduction - E. Seifried, ISBT President, Germany

**10.10 - 10.30**

Role of the EBA - J. de Wit, Sanquin, Netherlands

**10.30 - 11.00**

**Coffee break**

**11.00 - 16.30**

Hall 7

### **EU Optimal Blood Use Symposium Quality Improvement in clinical transfusion: the EU Optimal Blood Use Project (EUOBU)**

**11.00 - 13.00**

Background to the EU Optimal Blood Use Project

*Moderator: B. McClelland*

The Optimal Blood Use Manual and Website: Demonstration

Introduction to the Evaluation Packages

- Evaluation of the Manual
- Accuracy of blood sampling requests
- Evaluation of a training package
- Audit of red cell transfusion

**13.00 - 13.45**

**Lunch**

**13.45 - 14.30**

*Moderator: I. Franklin*

Four aspects of surgical transfusion practice; evaluation of methods

*G. Andreu, Institute National de la Transfusion Sanguine, France*

**14.30 - 15.15**

Quality improvement in clinical transfusion: An International view

*A. Tinmouth, University of Ottawa Centre for Transfusion Research, Canada*

**15.15 - 15.45**

**Tea break**

**15.45 - 16.25**

Where do we go next: Developing a European network for quality improvement in clinical transfusion

*R. de Vries, Leiden University Medical Center, Leiden, Netherlands*

*I. Franklin, Scottish National Blood Transfusion Service, Scotland*

**16.25 - 16.30**

**Close of meeting**

# Saturday June 26

**12.30 - 17.30**

**Room 43**

## **JACIE Training Course Tissue & Cells**

*Moderators: C. Chabannon / T. Tonn*

### **Session 1**

**12.30 - 13.30**

**13.30 - 14.00**

JACIE accreditation process

E. McGrath, Barcelona, Spain

A Centres Experience of JACIE Accreditation

H. Ottinger, University Hospital, Essen, Germany

### **Session 2**

**14.00 - 15.00**

**15.00 - 15.30**

Interpretation of the Standards

D. Pamphilon, NHS Blood and Transplant, United Kingdom

Overview of Common Deficiencies

D. Pamphilon, NHS Blood and Transplant, United Kingdom

**15.30 - 16.00**

**Tea break**

### **Session 3**

**16.00 - 17.00**

**17.00 - 17.30**

The Inspectors Experience

I. Slaper, University Medical Center, Utrecht, Netherlands

Impact of JACIE Accreditation on Clinical Outcome and Hospital Organization

C. Chabannon, Marseille, France

**12.30 - 14.00**

**Room 51**

## **ISBT 128 coding and labeling of tissues and cells**

*Moderator: Ineke Slaper-Cortenbach*

**12.30 - 14.00**

Coding and labeling of tissues in Europe

D. Fehily (Italy)

Coding and labeling of cellular therapy products world wide

I. Slaper-Cortenbach (Netherlands)

Questions and answers

P. Distler (USA)
