

Message from the Mayor

It gives me great pleasure to extend greetings and a warm welcome to everyone attending the 35th International Congress of the International Society of Blood Transfusion.

Conferences like these provide a great opportunity for transfusion medicine professionals from around the world to gather together and share knowledge in a setting designed for professional development and growth.

As Canada's largest city and the fourth largest in North America, Toronto is a global centre for business, finance, arts and culture and is dedicated to being a model of sustainable development. I welcome everyone to our city and encourage you to enjoy Toronto and learn about our vibrant neighbourhoods.

On behalf of Toronto City Council, please accept my best wishes for an informative and enjoyable event.

Yours truly,

John Tory
Mayor of Toronto
