

PRIME MINISTER • PREMIER MINISTRE

June 2-6, 2018

Dear Friends:

I am pleased to extend my warmest greetings to everyone attending the 35th International Congress of the International Society of Blood Transfusion, hosted by the Canadian Society for Transfusion Medicine.

This congress brings together industry professionals from around the world to share the results of their research and discuss the latest trends and issues. This year's event will explore advancements and innovation in the field of transfusion medicine.

I would like to thank the organizers for putting together an informative and stimulating program for everyone in attendance. I am certain that delegates will be inspired by the guest speakers and will benefit from this opportunity to network with their peers.

Please accept my best wishes for a productive event.

Sincerely,

The Rt. Hon. Justin P.J. Trudeau, P.C., M.P.
Prime Minister of Canada
